Questions Provided:

- Do you personally feel that college athletes should be paid?
- Which college athletes should be paid, if any?
- Will paying athletes have a negative effect on the rest of the student body?

Important Points:

- Students analyzed the financial and logistical considerations for paying student athletes.
- Members looked for contemporary examples of how athletes could be paid.
- Lastly, students grappled with the conflict of wanting to support students in their physical and academic careers while also feeling emotionally neglected for not being recognized themselves.

Further Discussion Points:

- How can we further support student athletes in other methods besides payment?
